# YOU'RE INVITED!

## 2025 FAYETTE COUNTY EXTENSION HOMEMAKER ANNUAL MEETING

**MAY 21, 2025, 6:00PM  
FAYETTE COUNTY EXTENSION OFFICE**

The Fayette County Homemakers are hosting their annual meeting!  
The theme this year is "Weathering the Storm."

Cameron Sellers, Disaster Preparedness Educator and the Kentucky State University Mobile Disaster Unit will be on site along with some disaster preparedness guest speakers.  
We look forward to seeing you there!

Catering by City BBQ  
Cost: \$15

Clubs bring a basket for the Basket Raffle to support our scholarship program.  
Clubs can decorate their table beginning at 2:00pm.  
Bring flood relief donations.  
Attendees will be entered for a chance at an emergency prep kit valued at over \$80.

Make check payable to: Fayette County Extension Homemakers  
Return to: Homemaker Annual Meeting, 1140 Harry Sykes Way,  
Lexington, KY 40504  
Registration Deadline: May 14, 2024

## **Redefining “Healthy”: The FDA’s new standards for food labels**

*Source: Anna Cason, Senior Extension Associate for Food and Nutrition*

When grocery shopping, you may notice food packages labeled as “healthy.” This term is meant to help buyers easily identify options that can support their health. To use “healthy” on the label, foods must meet standards set by the Food and Drug Administration (FDA). When enjoyed within a balanced diet, these foods can contribute to overall well-being.

At the end of 2024, the FDA announced it would update its definition of “healthy,” which was originally developed in the 1990s. Because nutrition science has changed significantly since then, the new definition is intended to align with current federal dietary guidance and support better health. According to the updated criteria, foods labeled “healthy” must include a certain amount of at least one food group—fruits, vegetables, dairy, grains or protein—and contain limited amounts of saturated fat, sodium and added sugars. These modifications reflect the emphasis on a balanced, varied diet rather than a focus on individual nutrients.

Under the original definition, products like yogurt, breakfast cereals, fruit snacks, snack bars high in added sugar, fortified white bread and fruit punch not containing 100% juice qualified as “healthy.” However, these no longer meet the updated requirements as they either contain too much added sugar or do not include specific amounts of certain food groups.

Foods that now qualify for the “healthy” label include fresh, frozen, canned or dried fruits and vegetables (as long as they contain limited saturated fat, sodium and added sugar), fatty fish such as salmon, trail mix with dried fruit (with limited sodium and added sugar), plain low-fat or fat-free yogurt (with limited added sugar), eggs, water and 100% olive oil.

While food manufacturers may choose to include “healthy” on the label if their products meet these standards, not all nutritious options will necessarily carry this claim. Ultimately, the new definition can guide consumers toward foods that can support good health but does not encompass every food that can fit into a balanced diet.

## **In the Face of Disaster Classes**

Saturday, April 12<sup>th</sup> at 2pm at Beaumont Library - In the Face of Disaster: Family and Home

Kentuckians have experienced firsthand how natural disasters can occur at any time. Disasters take many forms, and most areas of family life feel their effects. While you have little control over disasters, there are steps you can take before a disaster occurs to keep your family safe. Preparing in advance may be especially helpful when disaster comes with little warning. Join us for a program on how to prepare your family and home for a natural disaster, learn steps to take if/when one occurs, and learn about emergency preparedness home kits.

Saturday, May 10<sup>th</sup> at 2pm at Beaumont Library - In the Face of Disaster: At-risk and Aging Populations

Disaster can strike at a moment's notice. Therefore, it is important to have a plan and know in advance what to do in case of an emergency. This is especially true for older adults and people with disabilities. People with access and functional needs or disabilities face a special challenge when staring down a natural disaster. Their needs do not go away in a state of emergency. As a result, preparedness planning requires more considerations.

Classes are free. Contact Caroline McMahan at 859-257-5582 with questions. Register through the Beaumont Library on their website (<https://www.lexpublib.org/locations/beaumont-branch>) or contact adult programmer Ezra Nix, email: [enix@lexpublib.org](mailto:enix@lexpublib.org)

## Composition in Photography

Learn the basic photography skills with light camera settings, elements and principles of art, photography vocabulary, and explore concepts for taking a visually pleasing photograph.

Lesson training on April 24, 2025 at 6:00pm.  
Call 859-257-5582 to register.

## Kentucky Christmas Tree Association Plant Auction

Spring is here! It is the perfect time to plant. The Kentucky Christmas Tree Association's 19th Annual Plant Auction will be held 10:00 a.m. until 12 noon, Saturday, April 12, 2025, at the Fayette County Extension Office, 1140 Harry Sykes Way, Lexington, Kentucky 40504. Bid and take home some quality Kentucky grown nursery stock. A variety of annuals, perennials, balled and burlapped trees and shrubs will be for sale. A portion of the proceeds will be used to provide one or more scholarships for students majoring in Forestry or related sciences in the Martin-Gatton College of Agriculture, Food and Environment at the University of Kentucky. For further information please call 859 223-1140.

# EMERGENCY HEALTH INFORMATION CARDS

 Cooperative Extension Service

April 21, 2025  
6:00-7:00pm

Fayette County Extension Office  
1140 Harry Sykes Way, Lexington

If you are in an emergency in which you cannot communicate with first responders, an EHI card can help. It will tell medical providers important information about how to help you.

The session focuses on who can benefit from carrying an EHI card, information that should and should not be included, and where to put copies of an EHI card.

Be sure to sign up soon for this FREE class as space is limited!

Register online: <https://fayette.ca.uky.edu/classregistration>  
or call the office at 859-257-5582.

# **Social Security Planning Seminar:**

## **What Baby Boomers Need to Know About Their Retirement Income**

 **Cooperative  
Extension Service**

### **Problem:**

**People are hurting their retirement by making costly decisions about Social Security. People Often come to the issue of claiming Social Security with little knowledge about how it works.**

### **DISCUSSION TOPIC'S**

- 1. Social Security is inflation-protected income.**
- 2. Your monthly benefit will be reduced if you claim early.**
- 3. Couples should always maximize the higher earners benefit to protect the surviving spouse.**
- 4. If you are widowed you may be eligible for survivor benefits**
